## DCENA Members Go to San Diego to Serve as Delegates at 2023 ENA General Assembly

By Christine Russe – 2023 DCENA President

Preceding EN23 conference in San Diego, California, ENA held their annual business meeting, known as General Assembly. Each year Texas ENA members apply to be delegates to represent Texas at General Assembly. These delegates have the opportunity to impact the future of the association and emergency nursing by contributing to debates and voting on prominent issues, such as ENA bylaw changes and resolutions. Delegates are selected based on a point system. Dallas County ENA proudly sent seven members to San Diego to serve as Texas ENA Delegates for General Assembly. Thank you to all who served!
